Female Aquablade

PRODUCT DETAILS:

- Go-to competition suit you can always count on for great comfort, fit, and performance.
- Unique Aquablade fabric offers lower drag co-efficient and is slicker than skin.
- Stripes create channeling effect to streamline water away from the body helping to reduce drag.
- Sleek, streamline, and built to last; this is a must-have basic you'll reach for again and again.
- Durable, chlorine-resistant fabric.
- Reinforced seams.
- Front lined.
- Great for duals and end-of-season meets.
- Fabric: 80% Polyester/20% LYCRA® spandex.

Female Endurance

PRODUCT DETAILS:

- Our Speedo Endurance+ Flyback suit features a core stabilizing system built right into the midsection to help you maintain correct body position and hold your hips higher in the water.
- Flyback styling features thin straps with reinforced overlap binding, providing greater support and freedom of motion.
- Thin, streamlined straps are reinforced with overlap binding for extra durability.
- Exclusive 9 Thread Flatlock Technology for stronger seams, better fit, and optimal stretch.
- Endurance+ fabric retains color 20 times longer than conventional swimwear and features softer, lighter fabric with 4-way stretch technology for a comfortable fit.
- Bar tack reinforcements at stress points.
- Features 4-way stretch technology for a comfortable fit.
- Fabric: 50% Polyester/50% PBT.
