

Thank you for your interest in the upcoming stroke & turn clinic. In order to begin your on-deck apprentice sessions immediately there are three things you will need to bring to the clinic:

1. completed 2014 non-athlete membership form (attached)
2. \$60 check payable to Middle Atlantic Swimming
3. Email confirmation of "GREEN" status following a Level 2 background check (required by USA Swimming of all coaches and officials). Please read the information on the background check page before initiating a Level 2 check (coaches/officials). If you have problems initiating the Level 2 background check DO NOT initiate a Level 1 check instead. Please email [backgroundcheck@usaswimming.org](mailto:backgroundcheck@usaswimming.org) and ask for assistance.
